

# Bosch Guacamole

## Ingredients:

- 1/3 cup cilantro
- 3 avocados
- 1 jalapeno
- 1/4 cup red onion
- 1/3 cup tomato
- 1 tbsp lime juice
- 1/2 tsp salt

## Directions:

1. Dice red onion and tomato. Set aside.
2. Prepare your jalapeno by removing the stem, seeds, and veins.
3. Peel avocados and remove pits. Set avocado pits aside for later.
4. In your **Bosch food processor**, combine avocados, jalapeno, cilantro, lime juice, and salt. Process until smooth.
5. Transfer blended ingredients to a serving dish.
6. Fold in diced tomatoes and red onion.
7. Place reserved avocado pits into the serving dish. They will help preserve your guacamole's bright green color.
