

## PROTEIN SNACK BITES

- 2/3 cup almonds
- 2/3 cup walnuts
- 2/3 cup rolled oats
- 1/4 tsp ground cinnamon
- 1/8 tsp sea salt
- 1/4 cup Xagave
- 2 teaspoon Mexican vanilla
- 3 tablespoons mini chocolate chips

In the Bosch food processor, process the almonds, walnuts, oats, cinnamon and salt to a fine meal.

Add the Xagave and vanilla and process to combine.

Next, add the mini chocolate chips and pulse just to combine.

Place the dough in the refrigerator for the dough to firm up. This makes them much easier to work with.

Roll the cookie dough into balls and place them on a cookie pan lined with parchment paper. Place the pan in the freezer for about an hour to firm up. Store balls in a tightly covered container in the freezer. Keep in the refrigerator.
