

## SWEET BREAD PUDDING

4 slices of light bread, buttered and cubed

2 cups warm milk

2 eggs, slightly beaten

1/4 to 1/2 cup honey or other sweetener

Optional ingredients to add together or individually (your choice)

raisins, chopped nuts, date sugar, toasted coconut on top, 1 tsp. cinnamon, dried fruits, or what ever you have)

Put the bread in a baking dish. Mix the milk, eggs and sweetner and pour over the bread. Add optional ingredients in with the liquid or sprinkle on top. Bake at 325 degrees F. for an hour or until brown.

I like to serve with a carmel or butter sauce.
